ABOUT ONWARD LIVING

At Onward Living we specialise in building quality new homes across the North West.

We believe everyone deserves a place to call their own, which is why we offer affordable homeownership solutions such as shared ownership and rent to buy to help you take that first step on the property ladder.

Whatever your situation, whether you're a first-time buyer, starting again or just thinking about downsizing, we'll help you find a home that's right up your street.

What's more, our friendly experienced team will be there every step of the way, providing all the advice and support you need to make buying and owning your Onward Living home as straightforward as possible.

ABOUT RENT TO BUY

Rent to Buy is a homeownership scheme designed to ease the transition from renting to buying a home.

It allows you live in your forever home by paying a subsidised rent, while you save up for a deposit to purchase the home in the future. It is a great option for first-time buyers who are struggling to save and rent on the open market, at the same time.

With Rent to Buy, you rent a newly built home, usually 20% below market rent value for up to five years, and put aside the savings towards a deposit.

At the end of the five-year time period, you will be offered the chance to purchase the home outright, or through Shared Ownership, and fulfil your dream of becoming a proud homeowner.
